TO WHOM IT MAY CONCERN

I hereby confirm the following:-

I resided at Birchcroft in Forest Lane, Ringwood from 1960 until 2001. My property was on the opposite side of Forest Lane to Hurn Farm, a property I knew very well.

In 1962 Hurn Farm was taken over by Mrs. Audrey Cooper, a lady who became a close friend as well as a good neighbour. In the same year as her arrival (1962) Mrs. Cooper erected an outbuilding with the express purpose that this should be an extension to the existing living accommodation at Hurn Farm, insofar it would become a children's playroom. To this end it was suitably insulated and equipped with various toys and play facilities as well as having a range of furniture which would enable children to spend long periods there, even overnight if required. My own daughter was one of the children who enjoyed these facilities on many occasions.

I recall that even after the departure of Mrs. Cooper (circa 1983) the building continued to be used as an extension to the original house by successive owners, since it was built to provide a suitable environment for such purposes. At no time, at least up to and including 2007, was this building ever used for any other purpose, e.g. as a shed, barn or similar.

I trust this information is of use and assists you in your deliberations.

Signed

AJ Good (MRS).
AVIS J. GOOD.
