SEATS ON THE BICKERLEY

Members discussed the offer by Mr Deacock to contribute towards a seat on the Bickerley and noted that, as the Council was endeavouring to make the town a more attractive place to live in and visit, it was important to choose carefully the location and type of seat. It was therefore suggested that a Working Party be established to look at different types of seats available and make recommendations back to the Committee.

Members noted that Churchill Retirement Living had also offered to be involved in any developments in the Bickerley area.

RESOLVED: That a Working Party of Cllrs Chard, Cole and Daly be established to recommend the location and type of seat for the Bickerley, in consultation with Mr Deacock.
