FINANCIAL REPORTS**

Members considered the financial reports presented as *Annex A*. Details of payments from the Imprest account which exceeded £1,000 were provided.

The Town Clerk applauded the Finance Managers’ management of the treasury over the last month and the arrangements he had put in place to pay significant invoices arising from the football development project. This had proved particularly challenging as one payment was due at the end of the month, which was also the end of the financial year, across the bank holiday weekend and there where there were limits imposed by the bank on daily transaction amounts.

The Finance Manager presented his first draft outturn report for 2023/24 and indicated there was likely to be a surplus on the revenue account of around £20,000, due to income slightly exceed what was predicted. Budget managers had been asked to identify expenditure expected in 2023/24, which had slipped, and whether they would request the underspend be put in a reserve for that purpose. A report would be brought to the next meeting for the Committee to consider agreeing any requests.

In answer to a question about unclaimed Members allowances being added to the grants budget, it was explained that any underspend cannot be added in the current year's budget, however if at year end there is a surplus of funds, the Committee could consider whether this should be returned to the General Reserve or some other budget, for example, the grants budget. This point would be added to the Finance Managers report on the use of underspends and be considered in due course.

- RESOLVED:**
- 1) That the list of payments made from the Imprest Account for March be received and authorised;
 - 2) That Cllr M DeBoos' verification and signing of bank reconciliations and statements for March be noted;
 - 3) That the total amount of Petty Cash payments for March of £24.35 be noted;
 - 4) That the Statement of Town Council Balances be received and Inter Account Transfers report be authorised;
 - 5) That the Finance Manager's budgetary control report be received; and
 - 6) That the draft budget outturn for 2023/24 and balance of reserves be noted.

**F/6295
SUBSCRIPTIONS**

The Committee considered the Finance Manager's report. He explained this is an annual review of subscriptions and the amounts quoted relate to the latest fees paid in the financial year 2023 / 24.

- RESOLVED:** That the review of Council and / or staff subscriptions to other bodies, as listed in *Annex B*, be noted.

**F/6296
BANK DIRECT DEBITS AND STANDING ORDERS**

Members considered the Finance Manager's report (*Annex C*). This is a regular report that is reviewed periodically. He explained that all listed are BACS payments, although it may be necessary to use CHAPS in future, due to the banks reduction in the threshold for BACS transactions.

- RESOLVED:**
- 1) That the continued use of standing orders and direct debits, as listed in the Finance Manager's report, be authorised;
 - 2) That arrangements for the use of CHAPS payments continue as present, requiring pre-authorisation by two members; and
 - 3) That the use of BACS to transfer funds of more than £50,000 continues to require pre-authorisation by resolution of this Committee

COMPLAINTS PROCEDURE REVIEW

Members considered the Town Clerk's annual report (*Annex D*) in relation to the Council's complaints procedure. He explained the procedure had been updated in 2022 and reviewed in 2023 and invited discussion on its purpose and issues arising.

The approach taken is to pre-empt problems and deal with them effectively, to encourage a culture of responsibility, rather than blame, and to identify where we have fallen short and improve those areas. Attempts will be made to address complaints informally, but where a formal complaint is made the procedure will be followed and reported annually.

The Town Clerk identified types of complaints which could be received i.e. staff performance / conduct, Council policy, Councillor conduct and complaints about other Council's policy and explained how each would be handled. It was noted that direct approaches to Councillors are not recorded as part of this procedure.

Members were content with the overall approach and the reporting arrangements. It was suggested the scope of the procedure be amended to include that the Council would signpost the complainants to their local Councillor for the responsible authority, to see if they could assist, and this was agreed.

RESOLVED: That the Town Clerk's report be noted and the complaints procedure be approved subject to the signposting of complaints about other organisations being clarified.

REPORT TO POLICY & FINANCE COMMITTEE – 17th APRIL 2024**BUDGETARY CONTROL DRAFT OUTTURN 2023/24****1. BACKGROUND**

- 1.1 The purpose of this report is to provide Members with a preliminary outturn report for the year 2023-24. Comparisons are made with the revised budget.
- 1.2 To re-cap, the revised budget that was approved at the December meeting required a transfer from the General Reserve of £93,788 in order to balance. Since that meeting, however, a number of changes have been requested although the changes have little impact on the net budget requirement. The revised budget will still require a transfer of £93,591. The original and revised budget, including these changes are summarised below :

	Original Budget £	Revised Budget £
Revenue Expenditure	868,217	928,962
Capital Expenditure	781,000	2,111,959
Plus transfers to earmarked reserves	33,600	47,933
Less Revenue Income	-288,311	-340,618
Less Capital Income (grants)	-641,170	-1,560,000
Less transfers from earmarked reserves	<u>-142,810</u>	<u>-573,723</u>
Net budget requirement	610,524	614,513
Funded by:		
Council Tax	610,429	610,429
Covid Relief Grant	95	95
Plus transfer from the General Reserve	<u>0</u>	<u>3,989</u>
	610,524	614,513

The revised estimates required a transfer from the general fund of £3,989 in order to balance. A projected outturn forecast was provided at the March meeting which predicted a modest surplus and contribution to the general reserve of £8,600.

- 1.3 A number of significant expenditure items remained outstanding at the beginning of March and some of these have slipped over year end.
- 1.4 Similarly, some of the capital expenditure schemes, funded from reserves, have slipped although, these will have no impact on the revenue account or the requirement to draw from the general reserve, but they will impact the level of balances held in earmarked reserves.
- 1.5 A summary income & expenditure comparison report is included at Appendix 1. This compares actual income and expenditure for the year, together with outstanding commitments, with the revised income and expenditure budgets for the year as described above. The net budget deficit reported represents the net planned transfers to and from reserves. Note that these are preliminary figures as a number of transactions straddle the year end and the ledger will need to be adjusted to ensure that these are accounted for in the correct year.

2 INCOME & EXPENDITURE FOR THE YEAR TO MARCH 2024

- 2.1 Total cash receipts and invoices raised in the year amount to £2,973,955. This includes £38,208 in respect of CIL, key and rent deposits and other unbudgeted capital receipts and

£610,429 precept. The figure also includes £1,977,248 in respect of the football development project. As with previous comparisons, the football development project will be taken separately. The income figure also includes income of £7,863 which will be accrued into next year and £2,100 in respect of the previous year both of which should be excluded. A further £5,046 was received in 2022/23 in respect of 2023/24. For comparison purposes, therefore, income for the year is £343,156 (including commitments), against the revised budget of £340,618.

- 2.2 There remains one significant invoice to be raised in respect of 2023/24, the value of which is yet to be determined. This is for reimbursement of the Town Council' costs in managing the Gateway building on behalf of the partners. It is estimated that this will generate a receipt of around £20,000. The revenue income for the year is therefore expected to be around £363,000.
- 2.3 The revised income budget, excluding anticipated income for the football development project is £340,618 so there will be a significant over-recovery against the budget, possibly in excess of £23,000. There are a number of reasons for this, the most significant of which is earned interest which exceeded the revised budget by just over £6,000. A further £5,000 is accounted for by additional pass-through charges for utilities which are also reflected in increased expenditure. Cemetery receipts, which had been well below budget during the year recovered in the final quarter and exceeded the revised budget by almost £2,000.
- 2.4 For this committee, overall receipts are expected to be £215,825, exceeding the budget by almost £10,000 mainly due to the better than anticipated interest receipts and additional market stall income.
- 2.5 The revised revenue expenditure budget for the year is £928,962 whilst the capital budget is £2,111,959. Total recorded expenditure for the year amounts to £2,932,941 including commitments. A credit balance on the tax and pensions control account, pending settlement of monies due to the Inland Revenue and Hampshire County Council, adds a further £17,181 whilst an anticipated invoice for the Council' share of the Gateway costs is expected to add £51,100, making expenditure for the year £3,001,222. This includes some expenditure committed or paid in advance for next year of £10,976 but excludes expenditure of £7,468 paid in 2022/23 which means that the predicted outturn for the year is £2,997,714. Of this, capital expenditure amounts to £2,064,306 which means that revenue expenditure for the year is likely to be £933,408 which is slightly more than the revised revenue budget of £928,962.
- 2.6 Net revenue expenditure is therefore expected to be £570,400. Net contributions to earmarked reserves will add £15,700 (contributions of £42,286 less £26,587 to support one off revenue expenditure). The annual precept of £610,429 will therefore generate a surplus on the revenue account of £24,330 some of which will be set aside to cover costs of expenditure that has slipped into 2024/25 with the balance being added to the general reserve.
- 2.7 The main reason for this surplus on the revenue account is the additional income, noted above, together with some slippage in expenditure which will have an impact on 2024/25 unless some of the surplus can be set aside to meet this future expenditure. A full list of proposed carry forwards will be brought to the next meeting of this committee once final expenditure totals are known. The balance available to be moved to the general reserve will decrease to the extent that any provision is made for expenditure slippage.
- 2.8 The Football development project income and expenditure for the year is as follows:

	Budget 2023/24	Actual for 2023/24
	£	£
Income (Football Foundation Grant)	1,560,000	1,477,423
Expenditure	2,060,000	2,042,331

- 2.9 The total project budget is £3.4 million and any difference between the expenditure incurred and the funding received will be met from the earmarked reserves held for this purpose and borrowing from the PWLB. The PWLB loan was received in July and has been used to defray expenditure. In addition a further £65,083 has been transferred from the project earmarked reserve held for this purpose. The balance on this reserve stands at £16,459.

3. RESERVES & BALANCES

- 4.1 The opening reserves balance was £634,461 at the 1st of April. This was made up of Earmarked Reserves of £357,258, Customer deposits of £18,163 and a General Reserve of £259,040. Annual contributions to earmarked reserves from the revenue budget will add £47,286 whilst additional receipts of £499,825 (the PWLB loan) in respect of the football development project, £4,232 in respect of CIL, £10,000 in respect of Developer's Contributions, £15,000 in respect "thriving market place" grant and £375 contributions towards a commemorative bench have been received as at the end of March. A further £1,476 has been received for rent and key deposits whilst £70 has been returned.
- 4.2 It is now likely that Earmarked reserves of £625,948 will be required to support planned expenditure. This includes the amount borrowed from the PWLB on behalf of the football development project. The latest outturn prediction now suggest that £24,330 will be available to be added to the general reserve or otherwise to be set aside in an earmarked reserve to fund any additional expenditure requirements which have slipped into 2024/25. The predicted closing balance of reserves is therefore £610,967 consisting of £313,724 earmarked reserves, £277,674 general reserve, and £19,569 key deposits.
- 4.3 A schedule of the planned and actual movements to date on reserves is included at Appendix 2.

5. CONCLUSIONS

- 5.1 The outturn position is some £28,000 better than predicted in the revised budget due to a combination of improved income and slippage of expenditure.
- 5.2 It is anticipated that around £24,000 will be available to be added to the general reserve. However, this figure will decrease to the extent that any provision is made to reserve funds for any expenditure that is deferred to 2024/25.

6. RECOMMENDATIONS

It is **recommended** that Members:-

- 6.1 note the draft budget outturn position.
- 6.2 note the projected balances of Reserves.

REPORT TO POLICY & FINANCE COMMITTEE – 17th April 2024

BANK DIRECT DEBITS AND STANDING ORDERS

1. BACKGROUND

- 1.1 Section 6.6 of the Financial Regulations adopted by the Council in 2023 requires that a schedule of active Direct Debits, Standing Orders, BACS and CHAPS payments be reported to this Committee every year.
- 1.2 This reports sets out the current schedule of bank standing orders and direct debits for approval. The report also seeks continued authorisation for the occasional use of CHAPS payments where these are necessary (principally in transferring investment funds or making large capital payments) and an increase in the credit limit applied to Council credit cards (also reported in the budget monitoring report).

2. CURRENT STANDING ORDERS AND DIRECT DEBITS.

- 2.1 Direct Debits and Standing Orders are used principally for utilities and other suppliers where there is a regular payment stream. There are currently no standing orders in place whilst the current direct debit arrangements cover:.
- 2.2 Payments which require individual authorisation by officers:
- CF Corporate (Photocopier – Deputy Town Clerk signs off)
 - Siemens Financial Services (Photocopier - Deputy Town Clerk signs off)
 - Utility warehouse (Manager of Carvers Clubhouse signed then Town Clerk)
 - UK fuels (Grounds Manager then Town Clerk)
 - SSE – both Carvers Street lighting & Market Place (Town Clerk)
 - Lloyds Bank credit Cards (Town Clerk, Office Manager, Grounds Manager and Manager of Carvers Clubhouse)
 - British Gas (Town Clerk)
 - BNP bank Paribas – photocopier (Manager of Carvers Clubhouse)
 - Sky Business – Broadband @ Carvers Clubhouse (Manager of Carvers Clubhouse)
 - YU energy – Electricity at Carvers Clubhouse (Manager of Carvers Clubhouse)
 - DVLA – vehicle licensing (Grounds Manager)
- 2.3 Payments which do not require individual authorisation prior to processing:
- NFDC Rates both Cemetery & Carvers
 - HCC Pension (Deputy Town Clerk provides details of what to pay)
 - Inland Revenue
 - Salaries
 - Worldpay
 - EBS/Elite Broadband line rental (invoice provided by Town Clerk)
 - Public Works Loan Board
 - Grounds Management Association
 - Information Commissioners Office
 - Bank Charges
- 2.4 CHAPS payments are made very occasionally and require two members signatures before they may be processed. However, the daily limit on BACS processing was increased at the start of the pandemic lockdown to £250,000 per day but this is due to be reduced to £100,000 at the end of April. BACS transfers are “free” whilst CHAPS transfers incur a processing charge of £25. As a result there has been no need to use the CHAPS system and no such payments have been made in the last two years. BACS transfers in excess of £50,000 are currently only used for cash transfers to the CCLA which require two officer signatures and member authorisation before any such transfer is made.

3. CREDIT CARDS

The Town Council has issued four credit cards to staff to make it easier to deal with suppliers who will not give credit or for whom alternative arrangements are not

available. These cards have been issued to the Town Clerk, Office Manager, Manager of Carvers Clubhouse and the Grounds Manager. The balance on the credit card account is settled in full by Direct Debit each month and no interest is payable. Expenditure on the cards is still recorded in the usual way in the ledger and reported to members in the transaction listing and budget reports each month.

- 3.2 Section 6.14 places a limit on the overall credit card account of £10,000. This is divided such that each card has a credit limit of £2,500 per month.

4. RECOMMENDATION

It is **recommended** that:-

- 4.1 Continued use of the standing orders and direct debits, listed above be authorised
- 4.2 Arrangements for the use of CHAPS payments continue as present requiring pre authorisation by two members.
- 4.3 The use of BACS to transfer funds of more than £50,000 continues to require pre-authorisation by resolution of this Committee.

Ringwood Town Council

Complaints Procedure

Adopted: 18th May 2022

Contents

1. How we will deal with complaints
2. Appendix – Procedure at Complaints Hearings

How we will deal with complaints

Our aims for this procedure are

- To make it easy for our customers to complain if they are unhappy with the service they have received from us and
- To respond to complaints received in a way that is fair and calculated to achieve a resolution promptly and without cost to the complainant

(As an effective alternative to the Local Government Ombudsman service, which does not apply to town and parish councils.)

The scope of this procedure

We will apply this procedure to all the complaints we receive except those mentioned below. We will treat as a complaint any expression of dissatisfaction with our service - whether the word 'complaint' is used or not and regardless of the method by which it is initially expressed (though at some stages of the procedure we may need the complaint to be expressed in writing).

There are some things we cannot treat under this policy as complaints:

- Allegations or complaints about the behaviour of one or more of our councillors. (We are required to report allegations that a councillor has failed to declare a 'disclosable pecuniary interest' to the Police. If we receive an allegation of any other type of breach of our **Code of Conduct** we will offer the complainant the opportunity of informal resolution through the intervention of the Town Clerk and Town Mayor (or Deputy Mayor) but if this is declined or unsuccessful we are required to report the matter to the Monitoring Officer at New Forest District Council. The Council has no power to consider other complaints about councillors.)
- Requests relating to personal data protection ('subject access requests') will be handled in accordance with our **Data Protection & Information Policy**
- Requests for information/documents held by the council ('freedom of information requests') will be handled in accordance with our **Data Protection & Information Policy** and our **Publication Scheme**
- Grievances raised by members of staff will be handled in accordance with the Grievance Procedure set out in our Employee Handbook
- Matters which concern other councils, organizations or individuals – we will always try to help the complainant raise these with the appropriate authority. Our staff may agree to report the matter themselves but are not obliged to do so.

If a complaint is upheld, the investigation may, if appropriate, result in the council taking steps with regard to relevant members of staff under its performance management or disciplinary procedures. Whilst those steps may be subject to the oversight of our Staffing Committee, they will be strictly private internal matters separate from the original complaint and will not be reported or discussed in public or with complainants.

Our Procedure

Each complaint will be treated as a complaint against the body corporate of the council, not as a complaint against individual employees or member(s) of the council.

Once a complaint has been received it may be processed exclusively through written communications by the Town Clerk or other proper officer. If the complaint cannot be resolved in this way, the Council will establish a panel of three Councillors made up from the Chairman and Vice Chairman of Council and Chairmen of Committees.

The panel will meet to resolve the complaint and the procedure to be followed at its meeting is set out in the Appendix below. The panel will report its conclusions to the next council meeting.

At all times, the rules of natural justice will apply. If the Town Clerk or other proper officer is putting forward the justification for the action or procedure complained of, he or she should not represent the position of the council, all parties will be treated fairly, and the process will be reasonable, accessible and transparent.

The council aims to deal with all complaints within a 12-week period, from receipt to resolution, however depending on the complaint this period may be extended.

Complaints should be made to:

The Town Clerk
Ringwood Town Council
Ringwood Gateway
The Furlong
Ringwood
BH24 1AT

Telephone: 01425 473883

Email: town.council@ringwood.gov.uk

Appendix

Procedure to be followed at meetings of the complaints panel

Before the Meeting:

1. The complainant should be asked to put the complaint about the council's procedures or administration in writing to the clerk or other nominated proper officer.
2. The complaint will always be treated in confidence unless the complainant has waived their right to confidentiality. Any meeting held will exclude the public.
3. If the complainant does not wish to put the complaint to the clerk or other proper officer, they may be advised to put it to the chairman of the council.
4. The clerk shall acknowledge the receipt of the complaint and advise the complainant when the matter will be considered by either a member of staff or a panel established for the purpose of hearing complaints. The clerk will also advise of the timeframe for investigating the complaint.
5. The complainant shall be invited to attend the relevant meeting and bring with them such representative as they wish.
6. Seven clear working days prior to the meeting, the complainant shall provide the council with copies of any documentation or other evidence, which they wish to refer to at the meeting. The council shall similarly provide the complainant with copies of any documentation upon which they wish to rely at the meeting.

At the Meeting:

7. Chairman of the Committee to introduce everyone.
8. Chairman to explain procedure.
9. Complainant (or representative) to outline grounds for complaint.
10. Members to ask any question of the complainant.
11. If relevant, clerk or other proper officer to explain the council's position.
12. Members to ask any question of the clerk or other proper officer.
13. Clerk or other proper officer and complainant to be offered opportunity to make closing statements (in this order).
14. Clerk or other proper officer and complainant to be asked to leave room while Members decide whether or not the grounds for the complaint have been made. (If a point of clarification is necessary, both parties to be invited back).
15. Clerk or other proper officer and complainant return to hear decision, or to be advised when decision will be made.

After the Meeting:

16. Decision confirmed in writing within seven working days together with details of any action to be taken.
17. A report to be made in public at the next Council meeting.
18. Should the complainant wish to appeal the decision of the panel established to deal with the complaint, an appeal can be made to Full Council in Confidential. Staff or members previously involved in the original decision may not participate in the determination of an appeal.
