MINUTES OF THE POLICY & FINANCE COMMITTEE

Held on Wednesday 21st November 2018 at 7.00pm at Ringwood Gateway, The Furlong, Ringwood.

| PRESENT: | Cllr Jeremy Heron (Chairman) Cllr Andy Briers |
|----------|--|
| | Cllr Anne Murphy (<i>until 8pm</i>) |
| | Cllr Gloria O'Reilly |
| | Cllr Tony Ring |
| | Cllr Michael Thierry |
| | Cllr Angela Wiseman (from 7.05pm) |

- IN ATTENDANCE: Chris Wilkins, Town Clerk Nicola Vodden, Meetings Administrator Rory Fitzgerald, Finance Manager Oliver Magor, Student Advisor Jonathan Skirton, Student Advisor
- ABSENT: Cllr Philip Day Cllr Christine Ford Cllr Steve Rippon-Swaine Cllr Chris Treleaven Tom Weetman, Student Advisor

F/5620 PUBLIC PARTICIPATION

There was none.

F/5621 APOLOGIES FOR ABSENCE

The Town Clerk reported that apologies for absence had been received from Cllrs Day, Ford, Rippon-Swaine and Treleaven and Tom Weetman, Student Advisor.

F/5622 DECLARATIONS OF INTEREST

Cllr Thierry indicated that he was an Honorary Rotarian. However, as this was not a disclosable pecuniary interest, it did not permit him from joining in with the debate and voting on the Grant Aid application submitted by Ringwood Rotary Club.

F/5623 MINUTES OF THE PREVIOUS MEETING

RESOLVED: That the minutes of the meeting held on 17th October 2018, having been circulated, be approved and signed by the Chairman as a correct record.

Cllr Wiseman joined the meeting at 7.05pm.

F/5624 GRANT AID

> Page **1** of **4** Chairman's initials

Members considered three Grant Aid applications (Annex A).

Citizen Advice New Forest (CANF)

The application for £3,000 had been made partly to assist with the costs of updating signage in the Town Centre, for the relocated office in Ringwood library, and partly to contribute towards the core running costs of Citizens Advice New Forest, in providing free, confidential and independent advice for the community. Members agreed that £1,300 be awarded and that CANF allocate the funds as it sees fit.

Revitalise Respite Holiday

The application for \pounds 1,062 had been made to assist with the provision of respite breaks for disabled people and their carers. Members praised the worthwhile work that the organisation does, however felt that this was not an application that the Town Council could support and no award was made.

Ringwood Rotary Club

The application for £150 had been made to cover some of the expenses for Christmas Eve Festivities in the Market Place. A representative from Rotary presented the application highlighting the work of the volunteers involved, the number of residents and children who benefit and the increase in costs for the event. The total cost of the event is £500 and Members wished to show their appreciation of Ringwood Rotary Club's support of Town Council events, particularly with the recent fireworks and remembrance day service, and agreed to make an award to cover the full cost.

RESOLVED:

- That, in exercise of the Power of General Competence, a grant of £1,300 be awarded to Citizen Advice New Forest towards the new signage and running costs;
- 2) That no grant be made to Revitalise Respite Holidays, as this is a national charity and there did not appear to be sufficient local benefit;
- That, in exercise of the Power of General Competence, a grant of £500 be awarded to Ringwood Rotary Club to cover the costs of Christmas Eve Festivities in the Market Place.

ACTION A Greenfield

F/5625 MONTHLY FINANCIAL REPORTS

Members considered the Monthly Financial Reports attached to these minutes as Annex A.

Regarding the transfer authorisation report, the RFO indicated, that agreements with the other two financial institutions were in progress, but not yet in place.

In relation to the budget monitoring report, he highlighted the increase in expenditure in the revised budget of £68,000, resulting from the play equipment overhaul, Long Lane feasibility study and the estimated expenditure on the replacement IT systems this year, although the exact timing of this is not known.

The RFO anticipated that, by year end, the call on the General Reserve would be reduced by £18,000 and overall transfers from reserves will increase by £40,000, mainly due to the investment in the play equipment at Carvers, which was planned expenditure from earmarked reserves.

Page **2** of **4** Chairman's initials It was noted, at para 3.5, that costs incurred by the Council were yet to be reflected in the figures for the Fireworks event and that the information provided in respect of the Christmas event, showed the current position, with a number of transactions yet to be processed.

The Chairman commented that the overall position expected was a reasonably good outturn this year with minor changes made (relating to the play equipment), and some significant savings achieved.

RESOLVED: 1) That the list of cheque payments on the Imprest account for October be authorised. Cllrs Heron and Ring signed the report.

- 2) That the list of Petty Cash payments for October be authorised. Cllrs Heron and Ring signed the report.
- 3) That the Statement of Town Council Balances be received and the Inter Account Transfer be authorised. Cllrs Heron and Ring signed the report.
- 4) That the Finance Manager's budget report be received and noted.
- 5) That the revised budget for 2018/19 be approved.

ACTION R Fitzgerald

F/5626 PROJECTS

The Town Clerk provided an update on projects (Annex C).

<u>A3 - ICT Overhaul</u> – This item had been updated to show a figure of £15,000, as the estimated cost this year and £10,000 for 2019/20 budget. It was hoped that this would be considerably less. Officers are liaising closely with NFDC and HCC and meetings are planned to review the principles involved in the replacement of the IT systems, before there is any significant and irrevocable investment in hardware. The needs of the council will be met, whilst ensuring that these are consistent with the other councils' plans.

A delivery implementation plan will be prepared to ensure the timely purchase, installation and smooth transfer over to the new system.

RESOLVED: That the update in respect of projects be received.

ACTION C Wilkins

F/5627 COMMITTEE BUDGET

The Town Clerk reported that next year's budget process had started and Members were asked to consider future projects for possible inclusion in the budget bids for 2019/20.

RESOLVED: That this item be considered further at the next meeting,

ACTION R Fitzgerald

F/5628 BUDGET 2019/20

Members considered the first draft budget produced by the Finance Manager (*Annex D*). The RFO detailed the approach used in producing the draft budget, savings achieved and additional cost pressures identified. The net result is an increase in the budget requirement of $\pounds17,400$ or 3.5%. It was noted that the Council Tax base rate for 2019/20 had not been

Page **3** of **4** Chairman's initials notified and any increase to this figure could offset the increase in expenditure. (Assuming no change to the tax base, a 1% increase in the precept, would yield £4,852.)

It was suggested that the description of TA126 Civic Events/Celebrations be changed to Town Events, to save any confusion with TA105 Civic Expenses.

RESOLVED: That the draft budget be noted and reconsidered at the December meeting, along with updated information on the Council Tax base.

ACTION R Fitzgerald

Cllr Murphy left the meeting at 8pm.

F/5629 FINANCE SOFTWARE

Members considered the Finance Manager's report on replacement of the Council's finance software (*Annex E*). He detailed the options investigated (para 4.8) and his assessment of their suitability, considering the council's requirements. The host would be UK based and a service level agreement would be in place in respect of availability and 'fix' time responsiveness.

RESOLVED: 1) That the AdvantEDGE financial software, including the allotments module be acquired to replace the Agresso system, from April 2019;

- 2) That the emerging costs of the wider IT and Systems replacement, detailed in the report, be noted;
- 3) That regular updates be provided as specifications, requirements and costs are clarified.

ACTION R Fitzgerald

F/5630 TOWN CLERKS PERFORMANCE APPRAISAL AND ANNUAL REVIEW

Members considered the report on the Town Clerk's performance appraisal and appointed Committee Members to undertake the annual review in December (*Annex F*).

RESOLVED: That Cllr Day and Cllr O'Reilly be appointed to undertake the Town Clerk's performance review in December.

ACTION C Wilkins

There being no further business, the Chairman closed the meeting at 8.21pm. Note: The text in the Action Boxes above does not form part of these minutes.

APPLICATION FOR GRANT AID

Applicant's Details

| Name of Organisation requesting grant | Citizens Advice New Forest |
|--|--|
| Charity Registration Number (if appropriate) | 1132425 |
| Postal Address | Newcourt House, 28a New Street, Lymngton SO41 9BQ |
| Name of Contact | Alison Talbot |
| Contact's telephone number | |
| Contact's email: | ceo@newforest.cabnet.org.uk |

Details of Grant Request

| Amount requested | £ 3,000 |
|--|--|
| What is the purpose of the grant? | The grant would be used for the following: 1. To update the signage in the Town Centre to direct people to our new offices now relocated in Ringwood library. Quoted costs The total cost to supply and install 2 new fingers, by deleting Citizens Advice Bureau from the south facing one and amending the east facing one to add Citizens Advice, is £1,779.00 2. To contribute towards the core running costs of Citizens Advice New Forest so the service continues to have a strong local presence in the town and can provide free, confidential, impartial and independent advice for the community. |
| How would the people of Ringwood benefit from your receiving this grant? | CANF Ringwood office is open 4 days a week . The new Ringwood office is based in the library making our service more accessible to a wider audience. A self service kiosk and telephone advice line mean you can speak to a local trained adviser is 5 days a week. From Sept 17 – Sept 18 the Ringwood office helped 430 clients with 1.171 issues. |

| How many Ringwood people w | ould benefit? | 500 - 1,000 |
|--|----------------------------|-------------|
| Total cost of project | £ Signage £1 | ,779 |
| If a grant is awarded, to whom should the cheque be payable? | Citizens Advice New Forest | |

For the financial year ending 31 March 2018 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the charity to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements on pages 11 to 21 were approved by the trustees, and authorised for issue on 23 August 2018 and signed on their behalf by:

Together, we can provide a lifeline

Dear Ms Smith

I am writing to you on behalf of Revitalise to ask for support from Ringwood Town council to enable us to provide much needed respite breaks for disabled people and their carers.

³/4 of carers have reached breaking point due to the pressure of their roles

The service Revitalise provides is unique, it is more than simply respite, it is a complete break. We believe disabled people should have the same rights and independence to enjoy a break which may otherwise be out of reach and understand that carers desperately need a break from their caring responsibilities. This approach sets Revitalise apart from other care providers. No one else does what we do.

I have enclosed with this letter the application form, along with a budget and a story from one of our recent guests.

Please let me know if you require any further information and I look forward to hearing from you.

APPLICATION FOR GRANT AID

Applicant's Details

| Name of Organisation requesting grant | Revitalise Respite Holidays |
|---|--|
| Charity Registration Number (if appropriate) | 295072 |
| Postal Address | 212 Business Design Centre, 52 Upper Street, London, N1 0QH |
| Name of Contact | Mr Oliver Sisman |
| Contact's telephone number | 020 7288 6895 |
| Contact's email: | osisman@revitalise.org.uk |

Details of Grant Request

| Amount requested | £ 1,062 |
|--|---|
| What is the purpose of the grant? | Everybody needs a break, yet for many disabled people and their carers, this can seem impossible. Our breaks help to improve the wellbeing and quality of live of our guests by alleviating the daily challenges that living with disability and caring for a loved one can bring. |
| | The average cost of a Revitalise break is £1,813, with our target fundraising contribution of £354 per break. In 2018/19 we have provided 4 essential respite breaks for disabled people and their carers from Ringwood at our centres, equating to a commitment to fundraise £1,416. |
| | A grant of £1,062 could be used to ease the financial burden of care on our guests, fund upgrades to facilities, make improvements to the quality of care or to the overall enjoyment of the Revitalise experience. |
| How would the people of Ringwood benefit from your receiving this grant? | 96% of disabled people and carers believe that respite breaks are essential to sustaining strong and healthy relationships, and our breaks make a great impact on our guests. |
| | Disabled people and carers from Ringwood will benefit from an improvement in their wellbeing, improved relationships with their carer/family and friends that support them, and a reduction in any feelings of isolation and loneliness they may have. |

| How many Ringwood people w | ould benefit? | This grant would help us to provide 3 breaks, therefore between 1-3 people would benefit. |
|--|----------------------------|--|
| Total cost of project | £ 5,439 | |
| If a grant is awarded, to whom should the cheque be payable? | Revitalise R | espite Holidays |

Information about your Organisation

| | What facilities do you provide? |
|---|---|
| Membership: We are not a members organisation, however we provide around 4,500 breaks per year | We provide reassurances to those who need 24 hour nurse led care, catering for all disabilities at our three fully accessible centres in Essex, Southampton and Southport. All of our centres are registered as 'Good' with the Care Quality Commission and provide all inclusive accommodation including |
| Subscription: We do not have a subscription, however guests pay a fee for their break | en-suite wet rooms, along with equipment such as hoists and profiling beds. |
| Names of competing or similar organisations | No one provides the complete service we do, however there are similar organisations such as 'Park House Hotel' and 'Disaway'. |

Funds available to your organisation (apart from this grant application)

| Cash in hand: £4,546,000 | Annual income: £9,682,000 | | |
|--|--|--|--|
| Other sponsoring bodies and amounts donated by them | We have not applied to any other funding bodies specifically for guests from Ringwood. | | |
| Have you applied, or do you intend to apply, to any other sponsoring bodies for funding? If so, please give details. | We have an on-going fundraising programme that aims to secure around £1 million each year in order to support the work that we undertake with disabled people and carers. Funds are sourced from a variety of funding streams including Trusts and Foundations, local authorities, individual donors, corporate partners, legacy bequests and a calendar of fundraising events. | | |

As permitted by section 408(3) of the Companies Act 2006, the statement of financial activities of the parent charity by itself is not presented as part of these accounts. The parent company's income for the financial year amounted to $\pm 9,682,000$ (2017: $\pm 8,615,000$) and it had a surplus for the year of $\pm 177,000$ (2017: $\pm 509,000$)

Approved by the Board of Trustees on 10th July 2018 and signed on its behalf by:

Mindy Sawhney O Chairman

REVITALISE RESPITE HOLIDAYS

Notes:

1 Imprest Account

Anticipated net expenditure in month:

Net Movement on imprest account

2 Investment Maturity

No investments due to mature

- 3 The bank accounts were reconciled as at 31st October 2018
- 4 With reference to the Greenways Rent Deposit Account a) Ground Floor, the initial balance of £7,000 plus interest accrued will be paid over to the tenant at the end of the tenancy subject to the Council having no cause to claim funds due to damages.
- 5 With reference to the Greenways Rent Deposit Account b)1st Floor, the initial deposit of £2,637 plus interest accrued has been increased by £1,228
- 6 A temporary nominal account has been implemented to act as a change float for the VIC. This will be in operation only for the period when the VIC is open during the spring and summer at weekends and bank holidays.
- 7 A nominal account has been implemented to reflect the float held by the Information Desk.
- 8 The Town Council's Imprest and Business bank accounts are held with Lloyds Bank plc

<u>REPORT TO POLICY & FINANCE COMMITTEE – 21st NOVEMBER 2018</u> <u>BUDGETARY CONTROL - 2018/19 PERIOD 7 (TO END OCTOBER)</u>

1. BACKGROUND

1.1 The purpose of this report is to inform Members of the actual income and expenditure for the first seven months of the year, April to October 2018. This report also includes a revised outturn forecast and revised budget which is mirrored in the draft 2019/20 budget proposals together with preliminary analysis of the events hosted by the Town Council during the year to date.

2. BUDGET 2018/19

- 2.1 The Council approved a base expenditure budget for 2018/19 of £655,820. In addition, members approved recurring growth of £3,825 per annum and one off additional spend for the year of £48,060, giving a total expenditure budget of £707,705. Income is predicted to be £206,796 and net transfers from earmarked reserves were to be £270 giving a net budget for the year of £500,640. This will be funded by a draw on the general reserve of £15,444 and a precept of £485,196.
- 2.2 A number of budget adjustments have been approved since the original budget was approved. These have now all been incorporated into a revised budget. In addition, analysis of spend to date and likely activity to year end has identified a number of other areas where it is sensible to reduce or otherwise realign budgets.
- 2.3 The overall net impact is to reduce the call on the General Reserve by some £18,700. However, overall transfers from reserves will increase by £41,807, mainly due to the investment in play equipment at Carvers which was approved in February.

3. INCOME & EXPENDITURE APRIL 2018 to OCTOBER 2018

- 3.1 Expenditure to the end of October totalled £ 430,849, or 61% of the original budget. This modest overspend against the original budget is explained by a number of additional items that have been taken into account in the revised budget, the most significant of which are listed below :
 - ¿ Memorial Lantern, £4,000 covered by donations & contributions
 - ¿ Carvers Club House £6,200 mainly for the purchase of stock for resale and more than matched by income generated of £9,500.
 - ¿ Feasibility Study, Long Lane, £5,250 funded by developer's contributions
 - ¿ Visitor Information Centre, purchase of event tickets for resale £2,500, (generating additional income of £3,250)
 - ¿ Civic events such as the Fireworks display and the royal wedding have increased costs by around £5,000 whilst generating additional revenue of around £5,750.
 - ¿ Systems replacement. A provisional sum of £15,000 has been added to the revised budget in anticipation of incurring some costs in the current financial year to replace hardware and purchase software. This sum will be met from the IT & Equipment reserve.
 - ¿ Work at Carvers Sheds to supply electricity, £3,700, funded from Carvers Grounds development reserve.
 - ¿ Playground Equipment replacement at Carvers. The estimated cost of this is £44,000, of which £40,000 will be funded from the Play Equipment reserve.

The revised budget matches the forecast outturn and both are presented in the budget report which is included at Appendix 1.

- 3.2 Income received to date, excluding the precept, stands at £159,600, or 77% of the original schedule of planned receipts. As previously reported, the positive variance is largely explained by a few, significant receipts which are received at the beginning of the year together with some larger than anticipated receipts and some unplanned income. Much of the additional income is explained above and results from activities such as Carvers Clubhouse and Council run events. Overall, Income is expected to increase by £26,574 over the original budget. Income is summarised in Appendix 2.
- 3.3 The Town Council are holding funds collected on behalf of the Memorial Lantern Replacement Fund. These sums are not included in the revenue account but are shown in the analysis of income received. At the end of October the amount deposited with the Town Council stood at £4,595.26. Further receipts are expected.
- 3.4 The additional one off growth items approved for the current year totalled £48,060 to be funded from a combination of developer's contributions, reserves and revenue. In addition, £44,000 has subsequently been approved for playground improvements at Carvers. The expenditure to date against each item is as follows:

| | Description | Budget | Expenditure |
|--------|--|--|---|
| ここここここ | Millenium Clock WW1 Armistice Commemoration Cemetery Improvements Mansfield Road Verge Carvers Recreation Ground Imps Replacement Front Deck Mower Long Lane Feasibility Study Human Sundial Sign Painting Fridays Cross | £1,000 £1,500 £3,000 £1,160 £10,000 £20,000 £0 £8,000 £400 | £895 £4,500 £1,400 £0 £4,300 £16,346 £5,250 £500 £873 |
| ż | Neighbourhood Plan | £3,000 | £0 |
| ż | Carvers Playground | £44,000 | £25,055 |
| | Total | £92,060 | £59,119 (64.2%) |

Note that it is expected that Carvers Recreation Ground Improvements will be funded by CIL receipts which have not yet been received. In the absence of CIL receipts sufficient funds are held in the Carvers Grounds Development reserve.

3.5 The Town Council has hosted several civic events and celebrations during the year, the most recent being the Fireworks event. A brief summary of the finances of each event is included here for information, but members should note that as of the end of October, not all of the transactions had been processed through the general ledger. A more comprehensive analysis of events will be provided at future meetings.

| Event | Income | Expenditure | Net Surplus |
|---------------|------------|-------------|-------------|
| Royal Wedding | £6,876.99 | £6,319.88 | £557.11 |
| Fireworks | £11,315.75 | £6,106.77 | £5,209.08 |
| Christmas | £365 | £150 | £215 |

Note that the costs do not include any of the Town Council's own costs in respect of Grounds staff or the events coordinator. These costs will be included in the more detailed analysis.

4. FINANCIAL IMPLICATIONS

- The revised budget and outturn projections indicate that overall, whilst both income and expenditure have increased, the Town Council remains on target to spend within budget and the call on the General Fund will reduce by some $\pounds18,700$, although overall, reserves will reduce by $\pounds46,025$. (A summary of reserves is included at Appendix 3)
- 4.2 Reserves stood at £496,935.67 at the 1st of April (£197,695.48 of Earmarked Reserves and Provisions and £299,240.19 in the General Reserve). Following rationalisation and taking into account the planned transfers between reserves and the revenue account, this figure is expected to reduce to £450,910.52 (of which £184,370.48 are earmarked and £266,540.04 in the General Reserve).

5. **RECOMMENDATION**

4.1

It is recommended that:-

- 4.1 This report is noted.
- 4.2 The revised budget for 2018/19 be approved.

POLICY & FINANCE COMMITTEE – 21st NOVEMBER 2018 DRAFT BUDGET 2019/2020

1. INTRODUCTION

1.1 Members considered a revised budget for 2018/19 at the September meeting with an update tabled at this meeting. The other two Committees are currently considering their own budgets and this report sets out draft proposals for the 2018/19 budget subject to any amendments agreed at those meetings. This Committee is now asked to consider this preliminary draft budget and provide guidance on any changes they would like to introduce before the budget is finalised in January.

2. DRAFT BUDGET 2019 TO 2020

- 2.1 Attached for the Committee's consideration are the following documents:-
 - Appendix A Draft detailed Council budget, including actual spend 2017/18, original and revised budgets 2018/19 and draft proposals for 2019/20.
 - Appendix B Provisions at 31st March 2018, and estimated balances at 31st March 2019 and 2020, based on the revised budget 2018/19 and the proposals for 2019/20.
- **2.2** Budget preparation has been carried out, as in previous years, on an incremental basis with no judgement taken on whether a budget is, in itself, justified. However, a detailed appraisal has been carried out, line by line, to assess whether the budget is sufficient or greater than necessary to meet anticipated spend. This approach has exposed savings of £24,000 within the overall budget.
- 2.3 Inflation, based on a default figure of 2.0%, (September RPI was 2.4%), will add £24,300 to costs. Most of this increase is within payroll and is not strictly due to inflation. The Council's historic liability for pension deficits, together with a 1% increase in the employer's contribution to the pension fund, will add around £5,000 to payroll costs whilst the annual pay award will add around £11,000. With other adjustments and changes, the total payroll bill is expected to increase by £22,450.
- 2.4 Analysis of the budget for this Committee has revealed savings of £15,793 mainly arising from reducing the buildings maintenance and vandalism budgets on the basis that a provision now exists for major repairs and reducing the anticipated spend on IT and systems following our separation from NFDC. Additional costs are anticipated, including further one off investment in IT of £10,000 and election costs of £4,000 both of which will be funded from reserves. There is a further expectation that costs for Christmas lights will increase by £5,500. With inflation of around £10,500 (including this Committee's share of staff costs) the net increase budget requirement is expected to be £2,472 or 0.8% above the original 2018/19 budget. This is before any additional growth items are considered.
- **2.5** The Carver's club house and youth provision budget is likely to underspend by around £14,000 in the current year, of which more than £3,000 is attributable to the café and trading activities. With members approval, it is proposed that a sum

be set aside in reserves to enable the manager to broaden the range of activities on offer at the clubhouse and thereby increase usage of the building.

- 2.6 With respect to the other Committees, savings of £7,049 have been identified within Recreation and Leisure budgets, against additional cost pressures of £3,962. Within cemeteries budgets, the elimination of income for memorial benches together with a less optimistic forecast of burial receipts, mitigated by savings of £880 has resulted in a small increase in the budget requirement of £879. Small savings have also been identified within Allotments and Planning budgets.
- **2.7** Members previously decided to increase the annual contribution to reserves by £11,000. (£4,000 machinery replacement, £4,000 Cemeteries development and £3,000 Infrastructure and open spaces.
- 2.8 Overall demands on the budget, therefore have increased by £24,300 with inflation (including changes to payroll), £11,000 with additional transfers to reserves, and £16,160 with other cost pressures. Against this, savings of £24,000 have been identified and one off expenditure approved in the 2018/19 budget has been taken out. The net result is an increase in the budget requirement of £17,400 or 3.5%. Note this doesn't take into account any additional funding which may become available.
- 2.9 No precept increase has been assumed and, at this stage, the Council Tax base for 2019/20 has not been notified. However, assuming no change to the tax base, a 1% increase in the precept, currently £485,196, will yield £4,852. With no increase in the precept, a transfer from the general fund of £32,749 will be required.
- 2.10 The balance of reserves at the 31st of March 2019 is expected to be £450,911 of which £266,540 is in the General Reserve, Appendix B. Planned transfers to reserves in 2019/20 are £52,300 including the additional £11,000 detailed in 2.7 above. The planned drawdown on reserves is £16,230 including the £10,000 in respect of Systems Replacement. With no other transfers, there would be a modest increase of £3,321 in overall reserves by March 2020.

3. BUDGET IMPLICATIONS

- **3.1** This preliminary draft budget excludes any new budget bids from the other committees, but includes both the systems replacement project (subject to committee approval) and a significant increase in the Christmas lights budget, which is subject to a tender.
- **3.2** However, some increase in the council tax base may be expected which will mitigate the impact on the Council Tax. A 2% increase in the Council Tax will generate £9,700 and reduce the call on the General Fund accordingly.

4. **RECOMMENDATIONS**

- 4.1 Subject to any amendments made at this meeting, it is recommended that:-
- **4.2** Members consider the draft budget and any further additions or adjustments. A revised draft budget, incorporating any such requests, together with updated

information on the Council Tax base will be presented to the December meeting of this Committee.

<u>REPORT TO POLICY & FINANCE COMMITTEE – 21st November 2018</u> <u>SYSTEMS REPLACEMENT</u>

1. BACKGROUND

1.1 New Forest District Council have announced that, from April 1st 2019, they will no longer be in a position to host IT systems on behalf of the Town Council. Furthermore, the Town Council will also be required to make separate provision for telephone and data. This paper sets out the emerging issues and costs and seeks approval for the purchase of a replacement finance system.

2. IT & TELEPHONY SYSTEMS – CURRENT ARRANGEMENTS

- 2.1 The IT systems currently used by Ringwood Town Council are hosted by NFDC. These include "Office" Software, i.e. email, calendaring, word processing and Excel Spreadsheets and the Financial System, Agresso. NFDC also provide data backup and storage facilities to support these applications.
- 2.2 The annual cost of this IT support is £3,000, but the Town Council are also expected to pay for any hardware if and when it needs to be replaced. In the last five years the average additional annual spend on hardware, software and peripherals has been around £500.
- 2.3 All telephony and access to data is provided through the Hampshire Public Services Network contract with NFDC for which the Town Council pay an annual fee of £8,100. All "on-net" calls are included, but any calls outside the network remain chargeable and the average annual phone charges amount to £300. Note this only covers lines at the Gateway building.
- 2.4 The total spend on telephony, data and systems hosting over the last 6 years has amounted to just over £71,000, or £11,850 per annum. In addition, the Town Council make an annual contribution to reserves in order to build up a fund for IT hardware replacement of £4,500. The IT replacement provision stood at £33,400 at the beginning of April 2018.
- 2.5 NFDC also provide separate systems for the Information officers which are directly linked to their own systems. These are used to a limited extent by the Town Council in taking cash and card payments from customers, for example. Such transactions are processed by NFDC and any remittance made over to the Town Council on a monthly basis.

3. Office Systems Replacement – Options

- 3.1 There is limited choice in the office software. Microsoft Office is widely used and is what is currently in place. There are, however, a range of offerings and ways in which to acquire the software.
- 3.2 Office software has traditionally been bought outright for a one-off fee. This may appear cost effective in the medium term but does have some drawbacks. Typically, software support lasts only until the next version is established and software can rapidly go out of date. This is a particularly concern where the software is linked to other applications which will tend to require that software is kept up to date. Also, the software will need to be installed locally and there would be hardware implications.
- 3.3 An alternative is to buy the software "as a service". This is essentially renting the software and typically means that the applications are hosted in the cloud. Whilst this approach may cost a little more each year, the advantage is that the

software is maintained and kept up to date and being hosted off-site will make remote access possible. The Microsoft offering is called Office 365.

3.4 The annual cost of an Office 365 licence is £72. The RTC requirement will be for 10 such licences at an annual cost of £720. One off software purchase prices are not available.

4. Finance Systems Replacement – Options

- 4.1 The Town Council currently use a financial package called Agresso. This is a high specification, integrated financial system which is used by NFDC and, because of its complexity, requires considerable support. Also, whilst the system is undoubtedly very versatile, much of the functionality is simply not required by the Town Council. Furthermore, the system was implemented with a number of tailored reports for the Town Council which have not been maintained and are no longer fit for purpose. The result is that the system is inefficient in use. Access to Agresso is being withdrawn by NFDC at the end of the year.
- 4.2 Three alternative financial systems have been investigated, each with merits and limitations. The main criteria established to compare these systems were:
 - Availability and responsiveness of support
 - Ease of Use and interrogation
 - Availability of reports
 - Integration of ordering and invoicing with the general ledger
 - Support for bank reconciliation, debtor analysis etc.
 - Compatibility & alignment with the Annual Return
 - Real time reporting
 - Support for VAT accounting and statutory returns
 - Cost

It was also deemed desirable that any system should have should make use of workflow to manage and control purchases.

- 4.3 The three systems that were investigated were RBS Rialtas "Omega", Edge IT Systems "AdvantEDGE" and Sage Accounting. Of these, Sage was the only system that was not designed for, or tailored to, small councils, but rather is aimed at small business enterprises. As such, it lacked many of the features of the other two systems which would be of considerable benefit to the Town Council.
- 4.4 The Omega finance software appeared very straightforward to use but lacked any workflow application. Orders would have to be placed and manually entered on the system through associated modules. This, in itself, is not critical, but it does mean that there is no system control on who might place and authorise an order. The general ledger could be structured around a chart of accounts that follows the CIPFA standard presentation although the degree of sub division, and therefore detailed analysis of spend, was limited. The system offering is based on local installation, but hosting in the cloud is available, using a third party and at extra cost, and licensing is based on single installation or multiple installation (up to 5 PCs) model.
- 4.5 The AdvantEDGE system appeared slightly more advanced than the Omega system and includes a rudimentary workflow application with the ability to control who may place orders and who may authorise them. Similarly, access to the system may be set at different levels for different users. In other respects the two systems are similar although the Edge system had a somewhat more developed suite of add-on applications such as an asset manager, allotments, facilities management and cemeteries management. The pricing is based on concurrent usage which suits an organisation like the Town Council in which many users

work part time and is hosted in the cloud (although local installation is possible, if required and at slightly higher cost). Notably, since 2013, all clients have opted for the cloud version. This has the significant added benefit of allowing users to access the system from any device and not just terminals in the Gateway Building.

- 4.6 Both systems are supplied on the basis of a single charge based on the number of concurrent users or the number of discreet installations if installed locally and a single additional charge for any extra modules irrespective of the number of users. The Omega software pricing model is based on the user purchasing the software and then paying an annual support fee to cover the costs of telephone support and software upgrades. The Edge software is provided as a service and so there is a much reduced initial cost, although annual service charges are consequently higher. However, the number of user licences required is lower because of the concurrent user approach to pricing, and any additional modules are supplied with additional user concurrent user licences, reducing the need for additional user licences.
- 4.7 The number of concurrent users will be lower than the number of local installations, i.e. the number of devices on which the software is to be installed. The Town Council will require at least 8 local installations (more if Grounds staff or members require access other than at the Gateway.) However, because many staff work part time, and not all time is spent on Financial systems, it is likely that 5, or fewer, concurrent licences will be sufficient. Cost comparisons have therefore been calculated on the basis of 5 concurrent users (Edge) and 5 local installations (Omega).

| · | Adva | ntEDGE | RBS Omega | | | |
|---------------------------|--------------|----------------|--------------|----------------|--|--|
| | One Off £ | Recurring £ | One Off £ | Recurring £ | | |
| Purchase of Software | 0 | 0 | 1,185 | 0 | | |
| Set Up | 70 | 0 | 350 | 0 | | |
| On-site training | 567 | 0 | 1,197 | 0 | | |
| Annual Support Charge | 0 | 980 | 0 | 648 | | |
| Purchase Order processing | 0 | Included | 295 | 141 | | |
| Allotments | 0 | 306 | 295 | 141 | | |
| Asset Register | 0 | included | 295 | 141 | | |
| Total Costs | 637 | 1,286 | 3,617 | 1,071 | | |

4.8 Cost Comparisons:

There are further add-on modules, each with an additional cost, such as Cemeteries management, Facilities booking, Planning and Playgrounds. They may be added at any time but these are not considered necessary at present.

4.9 It is clear from this analysis that the AdvantEDGE system is both more versatile and whilst the ongoing costs are higher, the difference is such that it would take more than 16 years to pay back the initial one off costs of the Omega software. A further consideration is that the cloud solution reduces the hardware requirements for hosting the system.

5. Telephony Replacement

5.1 Work to specify and price up the telephony and data replacement system is underway. Early indications are that the implementation costs will be around £3,000 including consultancy support in specifying and implementing the solution. Continuing costs are expected to be in the region of £2,000 per annum

for a similar specification service to that which we currently receive (around 60mb/s download speeds) Telephone call charges will, however, increase.

5.2 There are a number of components for which both the requirement and the cost are uncertain. These include back-up systems, local storage, additional security for remote access and the cost of migration from existing systems. Further reports will be provided as these costs become clearer.

6. Recommendations

- 5.1 Members are asked to endorse the decision to acquire the AdvantEDGE financial software, including the allotments module to replace the Agresso system from April 2019.
- 5.2 Members are also asked to note the emerging costs of the wider IT and Systems replacement, for which regular updates will be provided as specifications, requirements and costs are clarified.

POLICY & FINANCE COMMITTEE

21st November 2018

Town Clerk's Performance Appraisal and Annual Review

At the meeting on 16th May 2018 the committee resolved (minute ref. no. F/5574) to schedule a further review meeting with the Clerk in December 2018.

Cllrs. Day and Treleaven, who conducted the review in April, suggested that the next review take place toward the end of the year (say, December) and be undertaken by one of themselves and another councillor appointed by the committee (so as to secure for the process the advantages of having some continuity but also a fresh perspective and widening opportunity for members to be involved in it).

Issues for decision and any recommendations

The committee is respectfully invited to consider appointing councillors from its membership to undertake the review in December.
