P/5503 MEMBERSHIP OF SUB-COMMITTEES AND WORKING PARTIES

It was noted that Members of Sub-Committees and Working Parties had been appointed until the next elections in 2019, unless any councillor wished to relinquish an appointment.

It was noted that in respect of the A31 Development Working Party that other Councillors had attended meetings in their capacity as District and County Councillors. The Mayor had also been invited to attend and the membership should reflect this.

Cllr Wiseman queried the need for representation at the local traffic management issues liaison meeting. Although there had not been a meeting in the last few years, due to a change in funding provision by Hampshire County Council, it was anticipated that there would be an opportunity to bid for schemes on an annual basis, in the future.
