Key Observations
<p>Areas assessed to be working well/controls are effective</p> <ul style="list-style-type: none"> • Detailed financial results comparing year-to-date actuals against budget are compiled and reported to the Policy & Finance Committee monthly in a format which provides an audit trail to original transactions within the Council's Financial Information System (Edge). • The current Financial Regulations were adopted in July 2023. Testing of a sample of twenty points within the Financial Regulations found them all to be fully compliant. • Payments to suppliers were supported by invoices and authorised via Edge workflows with VAT appropriately accounted for. Testing of procurements via petty cash found that floats had been balanced and transactions were coded and posted to Edge in a timely manner. • VAT returns can be substantiated to transactional level within Edge and the RFO is responsible for ensuring returns are submitted within HMRC's deadlines.

- Sales invoices were raised in compliance with the Council's current charging policies and correctly coded with VAT appropriately accounted for.
- Allotments were found to have an appropriately signed tenancy agreement, there is a register of tenants and staff are able to identify any debtors, who are monitored. For burials there is formal burial register, it was found to be up-to-date with interments and memorials appropriately evidenced. Testing confirmed that fees have been charged at the correct approved rate and have been recovered within a reasonable time. RTC also retain copies of Burial /Cremation certificates. Hall hire has an effective diary system for bookings identifying the hirer and hire times and we were able to cross-reference to sampled invoices raised.
- Ringwood Town Council has insurance against public liability risks as part of its general insurance policy with Zurich Municipal. The policy covers: land, buildings, public, employers' and hirers', liability, fidelity / employees (including Councillors) liability, business interruption and cyber security.
- A full financial risk review was presented to the Policy and Finance Committee in September 2023. The Town Council is required to carry out an annual Financial Risk Assessment. The risk assessment identifies risks in several areas, together with controls that have been implemented to manage that risk. A number of these controls are covered by Financial Regulations which were adopted in July 2022 and subsequently reviewed in July 2023.
- Annual playground inspections are carried out by The Play Inspection Company as well as weekly inspections by the Grounds Team. Risk assessments have also been undertaken for Grounds and Catering Teams.
- A draft budget setting out the 2023/24 precept was presented to the Policy & Finance Committee and then Full Council by January 2023. The precept for 2024/25 was presented in January 2024. Year-to-date actuals against budget were reported to the Policy and Finance Committee at each meeting, along with executive summaries, summaries of cash-book movements and transfers to and from reserves. General reserves have been maintained in line with guidelines, with additional commentary provided as necessary.
- Testing of payroll transactions found that the specialist company contracted (TC Group) paid salaries to employees and allowances to Members which were in accordance with the Authority's approvals, and PAYE and NI requirements and were properly applied. Salaries were also found to be paid to the employee/allowances to Member's in a timely manner. Internal controls around these processes and the subsequent posting of anonymised payroll costs to Edge are robust.
- The RFO maintains a comprehensive fixed asset register with additions and disposals updated as required. A record is made of the last time each asset was checked.
- RTC has loan liabilities and have three PWLB annuity loans. The total outstanding debt has been verified to the DMO (UK Debt Management Office) website.
- Bank statements are reconciled by the RFO monthly and testing of all reconciliations agreed to the cash book summary presented to

the Policy and Finance Committee. Cross-referencing of the year-end reconciliations confirmed they agreed to bank statements and the year-end cashbook. For additional scrutiny there is an arrangement in place for a Councillor to review reconciliations and statements following each Policy and Finance Committee meeting and sample checks confirmed Councillor signed off.

- Budgets and budget monitoring reports have been prepared on the correct income and expenditure accounting basis, as will the final accounting statements, and figures such as debtors and creditors on the final balance sheet can be substantiated to transactional level by Edge reports.
- RTC publishes information on a free to access website which was found to be up to date at the time of the internal audit in accordance with the relevant legislation.
- The Council complied with point M of Part 3 of the AGAR which relates to providing for the exercise of public rights as required by the Accounts and Audit Regulations.
- There was evidence that the Council complied with point N of Part 3 of the AGAR which relates to the publication requirements of the 2022/23 AGAR as per related guidance notes by the dates specified, with all relevant documentation published on the Council's website.
- The Council acts as trustee for two charities and filed the relevant Charity Commission returns in a timely manner.
