Confirmation by funeral director

I confirm that the particulars shown above are correct and that my company and all contractors working for the company have full public liability policies in place for work undertaken.

Signature: Name:

Address:

.....

Telephone: Email:

Note 1 'Coffin burial' includes burial of a body in a coffin of any type (including wicker or card) or a shroud only, 'Interment of Ashes Casket' includes a burial of cremated remains in a container of any kind, 'Pouring of Ashes' means deposition of cremated remains loose in a small hole (because the remains may form an identifiable mass, no subsequent disturbance of the ground is permissible). 'Scattering of Ashes' is where the turf or memorial only is lifted and the cremated remains spread over a large enough area that no identifiable mass results. There is no limit to the number of such 'scatterings' that may be allowed on a grave. Details of all interments (regardless of type) are recorded by the Council.

Note 2 A vertical separation of at least six inches of soil must be maintained between this and any previous interment. In addition, the minimum depth of cover above the uppermost coffin burial is three feet of soil. (If these requirements cannot be met, shallow grave requirements must be discussed with the Council before any arrangements are made.)

Note 3: Only gravediggers who work in accordance with the current Code of Practice issued by The Association of Burial Authorities and have full public liability insurance in place are permitted to work in the Council's Cemetery. Documentary proof of cover will be required along with a suitable risk assessment and method statement for the grave-digging.

Note 4: The current table of cemetery fees is published on the Council's website www.ringwood.gov.uk/cemetery If the deceased, or one or more applicant lives in the civil parish of Ringwood, the fee will be calculated at the "parishioner" rate. Contact the Council Office for confirmation of the precise fee payable. Once the application is submitted the council will issue an invoice. This can be paid by cheque payable to Ringwood Town Council, by BACS to sort code 30 97 08 account number 00215966 or in person at Ringwood Gateway Office.

Data Protection

The personal information provided on this form will be held in accordance with Data Protection legislation and will not be used for any purpose that is not compatible with the purpose for which it was collected nor will it be shared with third parties other than funeral directors, grave-diggers or memorial masons concerned in applications affecting the grave space or, in the case of consecrated ground, the Diocese of Winchester.
