

## **MINUTES OF THE POLICY & FINANCE COMMITTEE**

Held on Wednesday 16<sup>th</sup> January 2019 at 7.00pm at Ringwood Gateway, The Furlong, Ringwood.

PRESENT: Cllr Jeremy Heron (Chairman)  
Cllr Steve Rippon-Swaine (Vice Chairman)  
Cllr Philip Day  
Cllr Gloria O'Reilly  
Cllr Tony Ring  
Cllr Michael Thierry  
Cllr Chris Treleaven  
Cllr Angela Wiseman

IN ATTENDANCE: Chris Wilkins, Town Clerk  
Nicola Vodden, Meetings Administrator  
Rory Fitzgerald, Finance Manager

ABSENT: Cllr Andy Briers  
Cllr Christine Ford (*Leave of Absence granted*)  
Cllr Anne Murphy  
Oliver Magor, Student Advisor  
Jonathan Skirton, Student Advisor  
Tom Weetman, Student Advisor

### **F/5641 PUBLIC PARTICIPATION**

There were no members of the public present.

### **F/5642 APOLOGIES FOR ABSENCE**

The Town Clerk reported that apologies for absence had been received from Cllrs Briers, Ford and Murphy and Student Advisors, Oliver Magor, Jonathan Skirton and Tom Weetman.

### **F/5643 DECLARATIONS OF INTEREST**

There were none.

### **F/5644 MINUTES OF THE PREVIOUS MEETING**

**RESOLVED:** That the minutes of the meeting held on 12<sup>th</sup> December 2018, having been circulated, be approved and signed by the Chairman as a correct record.

### **F/5645 MONTHLY FINANCIAL REPORTS**

Members considered the Monthly Financial Reports attached to these minutes as *Annex A*.

It was noted that payments had been made for the new financial software. This will be simpler to use and more straightforward than the current system, with more control and a

comprehensive suite of reports. Although there was some concern with the pace at which this changeover had to happen and that this has been dictated by NFDC, there is optimism that it will deliver the needs of the Council better and be more efficient in terms of workflow. The new software will be populated with the 2019-20 budget figures, once approved, in readiness for the deadline, at the end of March.

With regard to *Annex (b)*, the amount for the Mayor's Christmas gathering would be reimbursed and the amount shown as a 'Thank you gift' had been recharged to The Events Team.

In respect of *Annex A (c)*, the RFO indicated that he was in liaison with CCLA in respect of the investment account and this proposed new arrangement would be in place of Investment Accounts 1 and 2, which would be removed.

The RFO indicated that save for minor variations, the budget was on course to come close to the revenue estimated and predicted outturn at year end (*Annex A(d)*). He expected that there would be a small transfer to reserves.

It was noted that the expected additional expenditure for the lantern project would be met from the balance of receipts held.

The summary provided in respect of events was not the final position and this would be reported at a future meeting, however it was anticipated that in excess of £2,500 would be added to that reserve. A report would also be brought before the Recreation, Leisure and Open Spaces Committee in order for the allocation of staffing costs, for events, to be considered.

**RESOLVED:**

- 1) That the list of cheque payments on the Imprest account for December be authorised. Cllrs Heron and Rippon-Swaine signed the report.
- 2) That the list of Petty Cash payments for December be authorised. Cllrs Heron and Rippon-Swaine signed the report.
- 3) That the Statement of Town Council Balances be received and the Inter Account Transfer be authorised. Cllrs Heron and Rippon-Swaine signed the report.
- 4) That the Finance Manager's report and Summary Budget Reports be received and noted.

<b>ACTION R Fitzgerald</b>
----------------------------

**F/5646**

**CIL RECEIPTS**

Members considered the Finance Manager's report on allocation of Community Infrastructure Levy (CIL) receipts (*Annex B*). He explained that for budget purposes an assumption had been made that CIL receipts were to fund the improvement works at Carvers. However, to use the funds, agreement was required from the Committee and no formal decision had yet been taken.

A discussion followed in relation to the amount of Section 106 and CIL receipts held by NFDC and for what purposes they would be used. The money received by the Town Council is 15% of CIL due from development in Ringwood (NFDC receives 85%). It was acknowledged that NFDC's fund is for all infrastructure and other authorities (HCC Highways, Education, Health, emergency services) can call on it to support development in an area. The prospect of obtaining any additional CIL funding from NFDC for the Town

--

Council's projects was questioned. However, Members felt this matter should be pursued and that NFDC be requested to release money for projects which qualify for CIL funding. It was suggested that a paper be brought forward on the matter.

The Chairman referred Members back to the report and the decision required. Paragraph 4.2 highlights that if the Town Council's CIL funds are diverted to other projects, alternative funding for the Carvers project would be required, otherwise the project would stall. It was agreed that the Council's CIL receipts be used for the Carvers improvements project, however that this decision be reviewed should alternative funding become available.

**RESOLVED:** 1) That £10,000 of CIL receipts be applied to the Carvers Recreation Ground Improvement Project, but that this decision be reviewed should alternative sources of funding become available;  
2) That a paper be presented to the Committee (or Planning, Town and Environment Committee) in relation to NFDC being asked to fund any eligible Town Council projects, from its proportion of CIL receipts;  
3) That regular (6 monthly) updates on CIL receipts, balances and applications of funds be provided to the Committee.

<b>ACTION</b> <b>C Wilkins / R Fitzgerald</b>
---

**F/5647**

**VEHICLE AND MACHINERY REPLACEMENT PLAN**

The Town Clerk presented the updated vehicle and machinery replacement plan (*Annex C*), which included some changes to the figures for 2019/20, as firm replacement prices had been obtained. He highlighted that the annual transfer to the reserve has been reduced to £13,000 and confirmed that the decision to purchase any item would require Committee approval.

Members viewed this as a constructive way forward, approved the plan and agreed to the transfer to reserves, as suggested.

**RESOLVED:** That the Vehicle and Machinery Replacement Plan be approved.

<b>ACTION</b> <b>C Wilkins</b>
--------------------------------

**F/5648**

**PROJECTS**

The Town Clerk indicated that the finance heading on the reports (*Annex D*) had been altered to show the cost and source of funding, in order to give Members a clearer view of the impact on resources.

ICT overhaul – Meetings had taken place to identify key deliverables, which the project os desired to deliver for the Council and NFDC. The Town Clerk had met with IT professionals to identify dependencies and uncertainties. He reported a 'thorny' issue regarding the telephone systems as NFDC required a complete separation of networks, with an increase to its security profile. This will cause difficulties connecting to the IT network and transferring calls between authorities in the future.

The Town Council will also require access to historic financial data but will not have access to NFDC software and there needs to be some arrangement in relation to this.

--

A new Firewall and Wifi connection is in place, switch over to the new finance software will occur at the end of March and a new telephone system in August. Other stages include changing the server, replacing the desk-top machines and an upgrade to Windows 10.

The Chairman commended the work done by officers and the speed in which it was achieved. There are tight deadlines and a lot of changes to manage and he congratulated the Town Clerk on the way in which this had been managed.

**RESOLVED:** That the update in respect of projects be noted.

<b>ACTION C Wilkins</b>
-------------------------

**F/5649**

**DRAFT BUDGET AND PRECEPT 2019-20**

Members considered further the draft budget for 2019-20 and precept (*Annex E*). The RFO indicated that it had been prepared on the basis of a 2% increase to Council Tax and highlighted changes made in relation to the annual transfer to the machinery reserve, removal of some project items (pending a strategic review of work of this nature) and, increased provision for Christmas lights. A saving of £2,200 had been realised, reducing the call on the General Reserve to £28,540.

A discussion followed on 1) the level of provision for Christmas lights and the imminent tender process, 2) whether the budget should be considered in light of expenditure on, value and depreciation of assets 3) what is to be considered a prudent level for the general reserve for this council.

Cllr Day was of the view that the value of the Council's assets should feature in the budget considerations and argued that the increase to the precept should be less than 2%. He maintained that the Council did not need to hold the level of reserves at 56% of the precept and the impact of a 0% increase in Council Tax on the General Reserve would be minimal in 2019/20, reducing it to 47% of the precept. This would be marginally below what was considered a prudent level, but he felt that this would be the right decision for local tax payers.

Others did not agree and supported the proposed 2% increase, which is just below the level of inflation, to offset the deficit between predicted income and expenditure for 2019/20. They felt that the level of the General Reserve should not be diminished below a prudent level.

The draft budget and 2% increase in Council Tax was agreed by majority and a recommendation was made to Full Council to consider the matter further.

**RECOMMENDED:** That the draft budget and precept 2019/20, which has been prepared on the basis of a 2% increase in Council Tax, be considered further and approved.

<b>ACTION C Wilkins/ R Fitzgerald</b>
---------------------------------------

**F/5650**

**SCHEDULE OF MEETINGS**

Members considered the draft schedule of meetings for the period March 2019 – May 2020 (*Annex F*). The Town Clerk highlighted the date for the Town Assembly was earlier this year due to the Election Day on 2<sup>nd</sup> May and the period of purdah, prior to it. Although the date was before year end, provisional accounts would be available.

--

Members agreed the schedule without amendment, however Councillors would consider whether the Town Assembly should be on a later separate date and advise the Town Clerk accordingly.

**RESOLVED:** That the schedule of meeting for the period March 2019 – May 2020 be approved.

**ACTION**

**F/5651**

**EXCLUSION OF THE PRESS AND PUBLIC**

**RESOLVED:** That, in accordance with section 1(2) of the Public Bodies (Admission to Meetings) Act 1960, the press and public be excluded because publicity would be prejudicial to the public interest by reason of the confidential nature of the business to be transacted (staffing matter).

**ACTION**

*The Town Clerk left the meeting at this point.*

**F/5652**

**TOWN CLERK'S ANNUAL REVIEW**

Cllr Day indicated that the report summarised the position in relation to the Town Clerk's annual review (*Confidential Annex G*).

**RESOLVED:** That the report in respect of the Town Clerk's annual review be noted.

**ACTION C Wilkins**

**F/5653**

**TOWN CLERK'S PAY PROGRESSION**

Members considered the report in respect of the Town Clerk's pay progression (*Confidential Annex H*). It was noted that the years indicated in columns should read 2018-19 (column 2) and 2019-20 (column 4).

**RESOLVED:** That the Town Clerk be awarded an incremental step with effect from 1<sup>st</sup> April 2019.

**ACTION C Wilkins**

*There being no further business, the Chairman closed the meeting at 8.45pm.*

**Note: The text in the Action Boxes above does not form part of these minutes.**

DATE

16th January 2019

16th January 2019

Investment Accounts 1	Lloyds Bank	32 day notice
Investment Accounts 2	Santander tbc	Term Deposit
Investment Accounts 3	CCLA	Instant access

Notes:

- 1 **Imprest Account** £
- Anticipated net expenditure in month: 35,000
- Net Movement on imprest account 35,000

- 2 **Investment Maturity**
- No investments due to mature

- 3 The bank accounts were reconciled as at 31st December 2018

- 4 With reference to the Greenways Rent Deposit Account a) Ground Floor, the initial balance of £7,000 plus interest accrued will be paid over to the tenant at the end of the tenancy subject to the Council having no cause to claim funds due to damages.

- 5 With reference to the Greenways Rent Deposit Account b)1st Floor, the initial deposit of £2,637 plus interest accrued has been increased by £1,228

- 6 A temporary nominal account has been implemented to act as a change float for the VIC. This will be in operation only for the period when the VIC is open during the spring and summer at weekends and bank holidays.

- 7 A nominal account has been implemented to reflect the float held by the Information Desk.

- 8 The Town Council's Imprest and Business bank accounts are held with Lloyds Bank plc

**REPORT TO POLICY & FINANCE COMMITTEE – 16<sup>th</sup> JANUARY 2019**  
**BUDGETARY CONTROL - 2018/19 QUARTER 3 (TO END DECEMBER)**

**1. BACKGROUND**

- 1.1 The purpose of this report is to inform Members of the actual income and expenditure for the first three quarters of the year, April to December 2018. This report also includes a revised and up to date outturn forecast together with a summary of Town Council event income and expenditure.

**2. INCOME & EXPENDITURE APRIL to DECEMBER 2018**

- 2.1 Expenditure to the end of December totalled £ 572,464, or 74% of the revised budget. There are some areas where significant expenditure is yet to be incurred and it is probable that some of these will result in a budget underspend. However, there are also some areas, such as pay costs, where a small budget overspend is likely. A summary budget report is included at Appendix 1.
- 2.2 Income received and invoiced to date, excluding the precept, stands at £192,451, or 82% of the revised budget. Income is summarised in Appendix 2. Note that the schedule of income includes receipt of grants which is only taken into the revenue account, and included above, when the grant is applied.
- 2.3 The additional one off growth items approved for the current year total £110,466 (original budget £48,060) to be funded from a combination of developer's contributions, earmarked reserves and revenue. The expenditure to date against each item is as follows:

Description	Revised Budget	Expenditure
¿ Millenium Clock	£1,000	£1,155
¿ WW1 Armistice Commemoration	£1,500	£5,632
¿ Cemetery Improvements	£3,000	£2,975
¿ Mansfield Road Verge	£1,160	£0
¿ Carvers Recreation Ground Imps	£10,000	£4,300
¿ Replacement Front Deck Mower	£20,000	£16,346
¿ Long Lane Feasibility Study	£5,250	£5,250
¿ Human Sundial	£8,000	£500
¿ Sign Painting Fridays Cross	£1,556	£1,553
¿ Neighbourhood Plan	£0	£0
¿ Systems Replacement	£15,000	£1,717
¿ Playpark Improvements	£44,000	£41,071
Total	£110,466	£80,499 (73%)

Note that the Armistice Commemoration, which includes the Memorial Lantern, Silent Soldiers and the Remembrance Parade, has attracted funds of £6,760, including the funds held by the Town Council on behalf of the Memorial Lantern Replacement Fund. To date the memorial fund has attracted donations of £5,785.26 of which £4,000 has been applied towards the Council's costs in procuring the lantern. The balance of these funds is not included in the revenue account or in the analysis of income received.

- 2.4 To date, the Town Council has incurred expenditure of £14,994 in hosting community events, excluding the Remembrance commemorations, and has generated income of £20,636. Staff costs incurred in directly supporting the events amount to £3,412, producing a surplus of £2,230. Whilst not all of the transactions have been processed through the ledger the following table provides an indication of the net cost of each event. These figures will be further updated

# A

once all of the transactions have been processed. Note that the recorded figures include income of £850 which has been pledged but not yet received and a refund of merchandise under a sale or return arrangement for which the refund amount, estimated at £700, has not yet been agreed.

<b>Events Summary</b>				
	Income	Exp	Staff	Net
<b>Royal Wedding</b>	-6,876.99	6,332.88	31.20	-512.91
<b>Fireworks</b>	-11,161.06	6,106.50	2,118.29	-2,936.27
<b>Christmas Lights switch on</b>	-2,598.41	2,554.77	1,263.07	1,219.43
<b>Total</b>	-20,636.46	14,994.15	3,412.56	<b>-2,229.75</b>

- 2.5 Overall, expenditure is marginally behind the level at which it might be expected at this stage in the year, whilst income is somewhat further ahead. However, members should note that both income and expenditure profiles are subject to some significant transactions which occur close to year end. Nevertheless, the current position is in line with expectations.

### 3 Forecast Outturn 2018/19

- 3.1 A revised outturn forecast has also now been prepared which takes into account a number of developments which have emerged over the last month. The most significant of the cost changes include an increase in staff costs, due in part to additional cover for staff sickness, legal fees in respect of the lease renewal at Greenways and expenditure on Ringwood events. However, the cost increases have been more than matched by emerging cost reductions and increases in income including that generated by Ringwood events. Overall net expenditure is likely to be almost £1,000 less than set out in the revised budget.
- 3.2 Capital receipts, grants and donations are taken straight to reserves and only appear on the revenue account when they are transferred to defray expenditure. During 2018/19 to date, the Town Council has been in receipt of S106 developer's contributions amounting to £5,250 in respect of the Long Lane feasibility study and £998.95 being the release of retention on the Skatepark development. The Town Council has also received Community Infrastructure (CIL) receipts of £6,853.74 which brings the balance of unapplied CIL receipts to £18,900. A separate report sets out proposals for the use of these receipts.
- 3.4 The net transfers from earmarked provisions together with the rationalisation agreed in July, the grant receipts and the increased transfer to the General Reserve from the revenue account mean that reserves are predicted to reduce from £496,936 at April 1<sup>st</sup> 2018 to £457,103 by year end. The General Reserve will stand at £269,558 which is approximately 38% of the original expenditure budget and 56% of the annual precept. A schedule of Provisions and Reserves, including expected movements during the year, is included at Appendix 3.

### 4. FINANCIAL IMPLICATIONS

- 4.1 The Town Council remains on target to spend within the overall budget.
- 4.2 Reserves remain healthy despite a reduction of almost 8% in the year and the General Reserve should remain at or above the prudent level of 50% of the annual precept.

## 5. RECOMMENDATION

It is **recommended** that:-

5.1 This report is noted.

**Grants Unapplied (TM685) Balance of £1,755 made up as follows:**

i) Graffiti Wall	£1,000 rec'd December 2012	Transfer to Play Equipment
ii) Interpretation Board	£ 500 rec'd Feb 2010	Transfer to Play Equipment
iii) SSE Grant for flood defence replacement pump	£ 255 rec'd July 2016	Transfer to Revenue re purchase of

Note CIL receipt of £6,853.74 received. Sufficient CIL funds now available to enable Carvers project to proceed.

**REPORT TO POLICY & FINANCE COMMITTEE – 16<sup>th</sup> JANUARY 2019**

**APPLICATION OF CIL RECEIPTS**

**1. BACKGROUND**

- 1.1 The Community Infrastructure Levy, CIL, is a mechanism by which property developers contribute to the costs of infrastructure required to service their developments. The CIL regulations state:
- “A local council must use CIL receipts passed to it to support the development of the local council’s area or any part of that area, by funding –
- a) The provision, improvement, replacement, operation or maintenance of infrastructure; or
  - b) Anything else that is concerned with addressing the demands that development places on an area. “
- 1.2 The levy is collected by the planning authority and a proportion is passed on to the Town Council. At the end of December 2018, the Town Council held a balance of £18,900.69. A formal decision is required in order to use CIL funds for any project.

**2. CIL Receipt Allocations**

- 2.1 To date, members have agreed to allocate CIL funds to two projects:
- |                                  |         |                     |
|----------------------------------|---------|---------------------|
| ζ Kings Arms Lane, New St Light, | £804.44 | P&F Oct 2017 F/5497 |
| ζ Human Sundial Repair           | £8,000  | P&F Dec 2018 F/5518 |
- 2.2 The balance of uncommitted CIL receipts is £10,095.56.
- 2.3 In addition, in January 2018 members discussed the use of CIL receipts to fund the Carvers Recreation Ground improvements project which is included as a growth item in the current budget. However, whilst an assumption had been made in the budget that CIL funds would be used to defray the costs, no formal decision has been taken on the use of CIL funds for this project. The budget for the project is £10,000 and expenditure to the end of December 2018 stands at £4,300.
- 2.4 Members previously decided that allocation of CIL receipts would require Member decisions and would be considered at this Committee. However, at present there is no formal mechanism by which Members review CIL funds or consider wider opportunities for investment of those funds.

**4. FINANCIAL IMPLICATIONS**

- 4.1 The current budget assumes that £10,000 of CIL funds will be applied to the Carvers Recreation Grounds Improvement Project. If members formally agree to this application of CIL funds, there will be no impact on the budget.
- 4.2 However, if members choose to reserve the CIL funds in favour of alternative projects, the Carvers Recreation Ground project will either require alternative funding or the project will have to stop.

# B

- 4.3 There are funds available in an earmarked reserve specifically set up for Carvers, but some of these have been committed for a project to improve the grounds department workshop and storage in 2019/20 and the remaining balance would be insufficient for this project. Alternatively, funds could be drawn from the General Reserve.

## 5. RECOMMENDATION

It is **recommended** that:-

- 5.1 Members decide whether to apply £10,000 of CIL receipts to the Carvers Recreation Grounds Improvement Project.
- 5.2 Members consider whether to receive regular (6 monthly) updates on CIL receipts, balances and applications of funds.

Total Replacement Cost: £187,953.00

## Notes

- 1 This document is intended as a contingent statement of expectations NOT an instruction to officers. Replacement of specific vehicles or machinery may be needed sooner or later than planned and will require member approval. The plan should be reviewed every year and adjusted as necessary.
- 2 Only items which are expected to cost roughly £1,000 or more to replace have been included.
- 3 Some existing items have not been included because the current expectation is that they will not be replaced (e.g. the older Dennis mower) or will not need to be replaced in the plan period (e.g. the Grader).
- 4 The primary purpose of the plan is to calculate the value of transfers into (or out of) the reserve required to sustain the predicted balance needed and so manage financial risk.

**POLICY & FINANCE COMMITTEE – 16<sup>th</sup> JANUARY 2019**  
**DRAFT BUDGET AND PRECEPT 2019/2020**

**1. INTRODUCTION**

- 1.1** Members considered a revised budget for 2018/19 at the November and December meetings and considered a draft 2019/20 budget. The other two Committees have subsequently considered their own budgets and this report sets out revised draft proposals for the 2019/20 budget incorporating the amendments agreed at those meetings. This Committee is now asked to make a recommendation to Council on its overall budget and precept for 2019/20.

**2. REVISED DRAFT BUDGET 2019 TO 2020**

- 2.1** Attached for the Committee's consideration are the following documents:-

Appendix A – Draft detailed Council budget, including actual spend 2017/18, original and revised budgets 2018/19 and revised draft proposals for 2019/20.

Appendix B – Provisions at 31<sup>st</sup> March 2018, and estimated balances at 31<sup>st</sup> March 2019 and 2020, based on the revised budget 2018/19 and the updated proposals for 2019/20.

- 2.2** Following the December meeting of this Committee, a further analysis of budget spend has been undertaken with the aim of releasing savings to reduce the requirement to draw funds from the general reserve in 2019/20. These changes include a reduction of £2,950 in the budget for member's allowances on the basis that not all members draw the allowance, a reduction of £1,000 in the annual transfer to the machinery replacement provision, and the removal of the proposed works to the boardwalk at Pocket Park, saving £3,750. However, an annual increase in the provision for Christmas Lights of £5,500 has been added. The overall impact of these changes is a reduction in the requirement to draw on the General reserve of £2,200. It should be noted that despite the need to fund substantial additional expenditure totalling around £100,500 from reserves in the current year and £52,700 in 2019/20, overall reserves are expected to reduce by around £67,000 by March 2020, Appendix B.
- 2.3** The proposed budgets have been reviewed in comparison with expenditure since 2013/14. As previously reported, this has highlighted a number of budgets for which the current provision, prepared on an incremental basis, are not in line with normal or anticipated requirements. Within this Committee's own budgets, this process has released net savings of £10,986. However, inflation has added £10,508 to costs (of which £8,562 or 81% is related to employee costs and of that, £3,424 or 41% is due to increased employer pension contributions). Thus, before any growth items are considered, the base budget has decreased marginally. Recurring growth, however, will add £5,500 to this base resulting in a net increase of this Committee's budget of £5,022 or 1.6%.
- 2.4** A similar process has been applied to the other Committee budgets. This has released net savings of £3,087 within Recreation and Leisure. However, inflation has added £10,734 to costs and an increase in contributions to earmarked reserves for machinery replacement of £3,000 per annum, together with the cessation of a write down to revenue of developer's contributions of £2,340 per

# E

annum has resulted in a net increase to the base budget of £12,987, or 8%. Growth will add a further £8,000 per annum, bringing the base budget for this Committee to £182,156, an increase of 13%.

- 2.5 Within Cemeteries budgets, the budget requirement has increased by £6,937 due to inflation of £2,058, the introduction of an annual contribution of £4,000 to a cemetery extension provision and a reduction of income of £1,759, mitigated by budget savings of £880.
- 2.6 The allotments budget is expected to increase marginally with inflation of £374 mitigated by cost savings of £220 resulting in a net budget increase of 2.2%.
- 2.7 For Planning and Environment, inflation of £603 mitigated by cost savings of £194 will result in a net budget increase of £409 or 2.5%.

### 3. Additional Budget Bids for 2019/20

- 3.1 The additional budget bids are listed below and at the foot of each Committee detailed budget page. They are also summarised in the overall budget summary. The aggregate cost of all of the bids in 2019/20 would be £65,963 of which £47,463 would be drawn from earmarked reserves and provisions and £3,000 from funds carried over from the current year and held in the General Reserve. In addition, estimated election costs of £4,000 will also be funded from an earmarked reserve set aside for this purpose.
- 3.2 Recurring budget bids are set out in table 1, below.

**Table 1 - Recurring Budget Bids:**

#### **Policy & Finance**

--Christmas Lights replacement (new contract)	5,500
<b>Total recurring bids</b>	<b>5,500</b>

#### **Recreation, Leisure & Open Spaces**

--Tree Management Plan - Survey	3,000
--Tree Management Plan - Tree Works	5,000
<b>Total recurring bids</b>	<b>8,000</b>

- 3.4 Non-recurring bids are summarised in Table 2, below. These include the IT systems replacement costs, replacement tractor, Grounds department workshop feasibility study and the neighbourhood plan, all of which will be funded from reserves or grant and will therefore have no direct impact on the revenue budget.
- 3.5 The proposed tree management plan survey work will, however be funded from revenue with consequent budget implications.

Table 2 - Non-Recurring Budget Bids:

<b>Policy &amp; Finance Committee</b>	
--Investment in IT replacement	10,000
<b>Less</b> Financed from Provisions	-10,000
<b>Net new non recurring bids</b>	<b>0</b>
<b>Recreation, Leisure &amp; Open Spaces Committee</b>	
--Tree Management Plan - contuing surveys and tree works	2,000
--Grounds Department Workshop and storage - feasibility study	3,000
--Pocket Park Boardwalk Overhaul	0
--New Vehicles and machinery (£34,488 less £9,025 trade in)	25,463
<b>Total</b>	<b>30,463</b>
<b>Less</b> financed from provisions	-28,463
<b>Net new non recurring bids</b>	<b>2,000</b>
<b>Planning, Town &amp; Environment Committee</b>	
--Neighbourhood Plan (deferred from 2018/19)	3,000
--Neighbourhood Plan additional bid to be funded from grant	9,000
<b>Total</b>	<b>12,000</b>
<b>Less</b> financed from grants & reserves	-12,000
<b>Net new non recurring bids</b>	<b>0</b>

- 3.6** The balance of reserves at the 31<sup>st</sup> of March 2019 is estimated to be £453,911 (based on the revised budget 2018/19) of which £267,972 will be held in the General Reserve, Appendix B. Planned transfers to reserves in 2019/20 are £51,300. The planned drawdown on earmarked reserves and provisions is £52,693 including the £50,463 in respect of one-off items detailed in table 2 (£3,000 of which is deferred expenditure held in the General Reserve and £9,000 is expected to be covered by grants). With no other transfers, the balance on reserves would therefore increase by £4,607 to £458,518 by March 2019.

#### **4. BUDGET IMPLICATIONS**

- 4.1** Identified savings and other known changes to the income and expenditure budgets will reduce costs in 2019/20 by £4,268. Inflation, estimated at 2%, (with some exceptions) for both pay and non-pay income and expenditure will add a further £24,277 net making an additional budget requirement of £20,009. However, the removal of one off items included in the 2018/19 budget, of £10,060 will result in an additional funding requirement of £9,949 before any additional bids are considered. Note that the original budget for the current year required a transfer from the General Reserve of £15,444 in order to balance and so the equivalent figure for 2019/20 would be around £25,393 in the absence of any new bids or changes to the Council Tax.
- 4.2** New bids proposed by the individual Committees total £65,963 of which £50,463 will be met from a combination of grants, earmarked reserves and the general reserve. Thus, in the absence of any increase to the Precept, a further £15,500

# E

would be required from reserves , the balance of which is otherwise estimated to be £458,518 by the end of next year.

- 4.3** An increase of 2.0% on the Council Tax would generate an increase in the precept of just over 2.54%, because of the increase in the Council Tax base, and deliver £12,350. The budget has been modelled on this basis. If all the additional items were approved, together with a 2.0% increase in the Council Tax, the additional draw from the General Reserve would be limited to £28,540 and the balance on reserves at March 2020 would be £429,978 of which the General Reserve would comprise £236,432.
- 4.4** The band D equivalent Council Tax attributable to Ringwood Town Council is £92.29 in 2018/19. A 2.0% increase in the Council Tax would increase this by £1.85 to £94.14 per annum.
- 4.5** Whilst it will be possible to achieve a balanced budget, members should note that drawing funds from the General reserve on this scale is unsustainable. It is prudent to maintain the General Reserve at or close to 50% of the annual net spend, or precept. This would suggest maintaining a general reserve of around £249,000.

## **5. RECOMMENDATIONS**

- 5.1** Subject to any amendments made at this meeting, **it is recommended that:-**
- 5.2** The Committee make recommendations to Council on the provisional budget, the level of the precept, and an indication of the level of Council Tax that Members wish to set for 2019/20.

For any further information, please contact:
