Why we apply these fees

Introduction

Most local authorities in the country are running short of space to allow burials and have been seeking more land to provide this service to their residents. The local burial authority is normally the District Council, Borough or City, but increasingly Town Councils are taking on this responsibility. This means the Town Council get no subsidy from the District Council but can provide residents the opportunity to be buried in the town where they had lived. While it will invariably mean a more expensive service with our limited resources, it also means that as a town we can assure our residents that their loved ones can be buried locally rather than in towns or districts further away. Ringwood Town Council spent £80,000 in securing additional land for this purpose and to provide temporary allotments and maintains the cemetery to the high standard our residents expect.

Additional charges have been levied on 'Non-residents' of the town to discourage use and ensure there will always be availability of plots for those residents within the town. While this will clearly not meet the approval of everyone, our duty is to our own residents who must take priority while ensuring no additional burden is placed on other council tax payers who may not require this service.

Our fees and charges are enclosed for all items which might be requested by potential purchasers and should be examined by you before making your purchase.

We will ask you to sign an acknowledgement slip below on confirmation of purchase

Our charges include

- Purchase of the plot
- Annual administration costs of the plot
- Weekly maintenance of the plot for 30 years
- Remedial work for subsidence
- Annual Inspections
- Faculty
- Contingency
